Wheelchair Lacrosse is providing the opportunity to play the newest adaptive sport in the world. Lacrosse is the fastest growing sport in America, so why not do it in a wheelchair?!? It combines the speed and finesse of soccer and basketball with the bone jarring hits of wheelchair rugby.

The drawing will be done on July 24th, 2010 at The Rinks in Huntington Beach. There will be a smaller raffle as well as a wheelchair lacrosse demo, clinic for those that want to try and food will be provided. If you would like to join us at the event, please email us at:
